

Help NEEDED...

By Ayden Young,
Farmingdale Resident

For the Hallowell Area

These are just a few of the many devastating sights that were our little city, taken just days ago. There has been millions of dollars in damage in Hallowell alone. With towns and cities in even worse damage across the state, and bridges and dams considered top priority, our funding for repairing is limited to just a few thousand. Volunteers will be needed for doing what we can with what little we have. We can provide lunch donated by the local soup kitchen, but we can not pay an hourly wage. We will need help from Friday through Saturday 7am to 7pm. Thank you for any help that you can provide.
